30 YEARS OF GIVING BACK

We at Stampin’ Up! have been creating, giving and donating cards for 30 years now. Try contacting local churches, hospitals, retirement communities and other organisations to see if you can share what you’ve made with them. We give back by sharing what we love. stampinup.com/makingadifference-au

stampinup.com/makingadifference-nz
30 years ago, I took a leap of faith and stepped into the crafting world—not realising for a moment that my desire to share creativity and enjoy the company of friends would lead to a company that would touch the lives of so many people.

When I look at our catalogue from thirty years ago, I hardly believe how much has changed. We went from selling individual stamps and two pages of accessories to the incredible assortment of papercrafting supplies we have today. And while our focus has always been stamps, ink and paper, we now offer so much more—from kits to die-cutting to memory keeping.

Without a doubt, the most exciting part about Stampin’ Up!® for me has been the relationships I’ve formed and the wonderful people I’ve met. And countless others have told me that they’ve enjoyed the same experience. Their love for stamping and sharing creativity has led to lifelong friendships and exciting adventures—which for me has been the most satisfying thing of all about this creative journey.

I have to give a shout-out to our amazing demonstrators, who have been our strength for thirty years. By sharing what they love and无私 sharing help to others, they have made our company the company we are and what we will ultimately grow into.

As you look through the pages of this catalogue, I hope you’ll think of it as the product of years of love and hard work, learning and growing and trying to be the best we can be. I’m personally so grateful for being a part of Stampin’ Up! for thirty years, am thrilled to celebrate this special anniversary with you and can’t wait to see what the future holds!

Enjoy the catalogue, everyone!

Add monochromatic dimension and artistic flair to your stamping with Stampin’ Up!® Distinktive stamps. Distinktive stamps create different opacities in a single stamped image for realistic depth and intensity.

All Distinktive stamps fit neatly on Classic Stampin’ Pads (see p. 182–187). For best results, apply ink to stamp using only the middle of the ink pad. Inking stamp along edges of an ink pad may cause ink lines to appear in the final stamped image.

WE LOVE

DAFFODIL DELIGHT

in our colour family!
I made an album for my daughter with 18 years of photos from her childhood. She was very moved to receive it and flips through it often. I scrapbooked many pages, and I think she feels all my love on each page.

‘Stampin’ Up! is not only a major part of my Christmas season but part of every month of the year. Whatever doesn’t get done by Christmas is set aside for the next year and I start in January. At least one day every month I work on Christmas cards with sets I didn’t get to the year before. Sometimes I carry the projects with me to appointments and work on them while I’m waiting.’

‘Last year my goal was to send one card each week—thank-you cards, thinking of you but mainly just encouragement. My then 13-year-old son made a card for his teacher and left it on her desk. I found out about it when the teacher told me how touched she was and how it brought her to tears to read his words of encouragement. I love that my example of making someone’s day brighter by sending a card inspired my son to do the same.’

30 years ago, I took a leap of faith and stepped into the crafting world—not realising for a moment that my desire to share creativity and enjoy the company of friends would lead to a company that would touch the lives of so many people.

When I look at our catalogue from thirty years ago, I hardly believe how much has changed. We went from selling individual stamps and two pages of accessories to the incredible assortment of papercrafting supplies we have today. And while our focus has always been stamps, ink and paper, we now offer so much more—from kits to die-cutting to memory keeping.

Without a doubt, the most exciting part about Stampin’ Up!® for me has been the relationships I’ve formed and the wonderful people I’ve met. And countless others have told me that they’ve enjoyed the same experience. Their love for stamping and sharing creativity has led to lifelong friendships and exciting adventures—which for me has been the most satisfying thing of all about this creative journey.

I have to give a shout-out to our amazing demonstrators, who have been our strength for thirty years. By sharing what they love and inspiring others, they have made our company who we are and what we will ultimately grow into living.

As you look through the pages of this catalogue, I hope you’ll think of it as the product of years of love and hard work, learning and growing and trying to be the best we can be. I’m personally so grateful to have been a part of Stampin’ Up! for thirty years, am thrilled to celebrate this special anniversary with you and can’t wait to see what the future holds!

Enjoy the catalogue, everyone!
